# THE WORLDWIDE LEADER IN LINEN SUPPLY AUTOMATION

Reengineer hospital linen management with the *alEx* Linen Center. Secure carts allow inventory to be closely tracked and eliminate unauthorized users - driving down replacement and processing costs. Restocking alerts are automatically sent to environmental service staff when a cart needs attention increasing nurse satisfaction and eliminating the need to hoard linen in patient rooms. Plus, linen is always covered promoting infection prevention.

LINEN CENTER — 48" or 60" or 72" — 24" or 30" — SC MC LC — 48" or 60" or 72"W x 24" or 30"D x 78"H
